Maroondah Calisthenics Club

OUR OFFER TO YOU - We are very proud to have some amazing sponsors as part of our club that have continued to share our commitment and involvement in our local community. By providing sponsorship at any of our levels, your business details can be viewed on our website by families and friends of our current membership base and a further 1500+ followers via our Facebook and Instagram pages. We also provide our web address on every piece of advertising material we issue - from letter box drops to shopping centre displays, Bunnings BBQ's to articles in local newspapers. The exposure this can provide to your business is enormous.

HOW YOU CAN HELP US - Our club's continued success and growth both on and off the stage needs the support of our local community. We are a Not-For-Profit organisation and would love your support this season. In particular, for this year your support would go towards increased cost of 2 of our sections reaching Premier League. We would also use any contributions towards costumes and equipment for our pupils.

Solo Competition Sponsorship Packages

- Be named on the program for that section
- Announced to the audience live as the sponsor of that section
- Be listed on our Website Solo Sponsorship Page for the 2025 year
